

IFTToMM Symposium on History of Machines and Mechanisms HMM

A Poster on the activities

by prof. Marco Ceccarelli,
: July 2018

History of MMS can be considered fundamental to give identity to a MMS community with past roots towards the future.

The aim of the HMM Symposium is to establish an international forum for preserving, presenting and discussing historical developments in the field of Machine and Mechanism Science (MMS).

International Scientific Committee

- Marco Ceccarelli, University of Cassino (Italy) Chair,
- Thomas Chondros, University of Patras (Greece)
